This graphic novel relates the story of the first novel in the eponymous Blue Bloods series. The first thing you will notice is that the art is absolutely dripping with vivacity and beauty. After reading it I leafed through it several more times just to gaze at the art.

Amazon com Blue Bloods The Graphic Novel 9781423134473

I bought this graphic novel at the same time I purchased, Gates of Paradise, the final book to this series, and I must say, re-reading through this was way more enjoyable and allowed me the chance to revisit the reasons as to why I loved this series at it's conception. It was nice to receive some artwork to accompany this first book of the Blue Blood series. Schulyer was pretty much how I would have imagined but I think Charles, lol, was a bit different than I expected or envisioned in my mind.
