[Evolutionary biology and feminism | SpringerLink](#)  
Abstract. Evolutionary biology and feminism share a variety of philosophical and practical concerns. I have tried to describe how a perspective from both evolutionary biology and feminism can accelerate the achievement of goals for both feminists and evolutionary biologists.

[Feminism and Behavioral Evolution: A Taxonomy | SpringerLink](#)

Abstract. Feminism and evolutionary biology. Their history is long, vexed, and appropriately enough still evolving. This symposium, for which we thank Patty Gowaty, brings together these sometimes antagonists, sometimes friends, in what may be a first-of-its-kind discussion between practicing scientists and practicing science critics.
