1 Introduction Privatisation, i.e. the transfer of ownership and control of State-owned enterprise (SOE),1 is a major trend in industrial countries, transition economies and emerging countries.

KWM | Mandy Tsang

Mandy's practice includes substantial regulatory advice work and the preparation of submissions to regulators of local insurers, intermediaries and other manufacturers and distributors of risk management facilities. Her clients include major insurers where she provides strategic advice on regulatory regimes.

Insider Privatisation and Restructuring Incentives

Privatisation redirects the ownership rights i.e. the rights to the revenue of a company from the public domain into the private domain. The commonly acknowledged mechanism between privatisation and restructuring is that private owners have the right incentives to optimise their rms, Economics of Planning 36: 333-349, 2003.
