Project MUSE - Victorian Studies

Victorian Studies, which began publication in 1956, is devoted to the study of English culture of the Victorian

period. It includes interdisciplinary articles on comparative literature, social and political history, and the histories of education, philosophy, fine arts, economics, law, and science.

Victorian life Primary Homework Help

The quality of life depended on whether you were rich or poor. If you were rich you could have a good and easy life. But if you were poor you could have a rough and hard life, often ending up in the workhouse or early death.

Sex & Sexuality in the 19th Century - Victoria and Albert ...

These perspectives were contested by the French scholar Michel Foucault (reminding us that Victorian attitudes were not confined to Britain), who argued that sex was not censored but subject to obsessive discussion as a central discourse of power, bent on regulation rather than suppression. This helps explain why sexuality looms so large in art and medicine, for example, as well as in studies

Victorian era - Wikipedia

In the history of the United Kingdom, the Victorian era was the period of Queen Victoria's reign, from 20 June 1837 until her death on 22 January 1901. The era followed the Georgian period and preceded the Edwardian period, and its later half overlaps with the first part of the Belle époque era of Continental Europe.
